

Digital Crush  
After Midnight Project

Intro: **Em C G D**

**Em**  
Youre my artificial escape  
**C**  
The burning inside when I cant sleep  
**G**  
An addiction that I know way to well  
**D**  
My dirty little secret that I hope never tell  
**Em C**  
Ill never Ever tell  
**Em C**  
Ill never Ever tell

Refrão:

**G Em**  
Ill be up for hours tonight  
**C D**  
I got a digital crush and I cant give it up  
**G**  
but I dont care  
**Em C**  
Ill sit for hours tonight with my digital crush  
**D**  
Shes my virtual drug

**Em**  
Ive got her red lipstick smeared across the fuzzy screen  
**C**  
I like it hot and dirty rather than cold and clean  
**G**  
I like it hott and dirty rather than cold an clean  
**D**  
thats what she said to me  
**Em**  
Well I just want you to know  
**C**  
This is just a phase dont ever change  
**G D**  
I would rather touch your lips then touch these keys  
**Em**  
you come first last and always  
**C**  
last and always  
**Em C**  
You re the only thing that s real

( Em C G D )

Em G Em C  
Ill pay the toll for one hour all alone in your world
