

Fighting My Way Back
After Midnight Project

Bm

Standing on the corner in the city

G

It s feeling like prison

Bm

G

Tried to hold us both but you got away

Bm

I could have been a lover, could have been a fighter

G

But I didn t know how

Bm

G

And every time you cried I had nothing to say

A

But I m coming back

G

Holding you to your words

Bm

A

You said All I had to do is try

Em

Bm

A

I m fighting my way back to you

Em

Bm

A

They can try and stop me but I ll break through

Em

Bm

A

I m fighting my way back to you

G

Bm

G

Bm A

I m taking back, what I gave away

Bm

I m tracing all the word that I couldn t say

G

on the window

Bm

G

All this frost stays as cold as I am

Bm

I could have been a lover, could have been a fighter

G

But I didn t know how

A

G

Please wait for me, you better wait for me

(Chorus)

Bridge: **Bm A G** x3 then **F# G A**

Bm

I could have been a lover, could have been a fighter

G

But I didn't know how

(Chorus)

Em Bm A

I'm fighting my way back to you

Em Bm A

I'm fighting my way back to you

G Bm G A

I have to take back all I gave away

Bm

I could have been a lover, could have been a fighter

G

But I didn't know how
