Fighting My Way Back After Midnight Project

Bm

Standing on the corner in the city

G

It s feeling like prison

Bm

Tried to hold us both but you got away

Bm

I could have been a lover, could have been a fighter

G

But I didn t know how

Bm G

And every time you cried I had nothing to say

Α

But I m coming back

G

Holding you to your words

Bm A

You said All I had to do is try

Em Bm A

I m fighting my way back to you

Em Bm A

They can try and stop me but I ll break through

Em Bm A

I m fighting my way back to you

G Bm G Bm A

I m taking back, what I gave away

Bm

I m tracing all the word that I couldn t say

G

on the window

Bm

All this frost stays as cold as I am

Вm

I could have been a lover, could have been a fighter

G

But I didn t know how

A

Please wait for me, you better wait for me

(Chorus)

Bridge: Bm A G x3 then F# G A

Bm

I could have been a lover, could have been a fighter

G

But I didn t know how

(Chorus)

Em Bm A

I m fighting my way back to you

Em Bm A

I m fighting my way back to you

G Bm G A

I have to take back all I gave away

 ${\tt Bm}$

I could have been a lover, could have been a fighter

G

But I didn t know how
