

I Heard Him Come
Afterglow

I heard Him come (Afterglow)

1. C F G
I heard him come, I saw his very face,

Em Am Dm G - G7
I wondered who, would come into this place.

 C F G
Where dead men walk, and where the dying talk

Em Am F G C
of life before the curse upon them came.

 C F G
2. He looked on me, he must have felt my gaze,

Em Am Dm G - G7
he came toward me, through the crowded maze.

 C F G
And I a leper, in shame hid my head,

Em Am F G C C7
till someone said, Jesus is his name! And he saidâ€|.

 F G - C A
Nations fall behind him, the rivers crawl to find him,

Dm G - C A
mountains move, just to let Him through.

Dm G - Em A
Come and never leave him, just let your heart believe him.

Dm F Dm F
And never let His light go, never let His light go,

Dm G C
never let your love grow dim.

 C F G
3. He fed a thousand with one loaf of bread,

Em Am Dm G - G7
I saw him raise a child from the dead.

C F G
He healed the sick, the blind man saw his eyes,

Em Am F G C C7
the lame man stood and joyous were his cries, and he saidâ€|+ CHORUS

C F G
4. I saw his pain as they nailed him to a cross,

Em Am Dm G - G7
I wish that we could understand the cause.

C F G
He looked on me, as he had once before, saying,

Em Am F G C C7
teach my word to all for evermore, so Iâ€™ll sayâ€|. + CHORUS
