

I Heard Him Come
Afterglow

I heard Him come (Afterglow)

1. I heard him come, I saw his very face,
I wondered who, would come into this place.

Where dead men walk, and where the dying talk
of life before the curse upon them came.

2. He looked on me, he must have felt my gaze,
he came toward me, through the crowded maze.

And I a leper, in shame hid my head,
till someone said, Jesus is his name! And he said

Nations fall behind him, the rivers crawl to find him,

mountains move, just to let Him through.

Come and never leave him, just let your heart believe him.

And never let His light go, never let His light go,

never let your love grow dim.

3. He fed a thousand with one loaf of bread,

Em Am Dm G - G7
I saw him raise a child from the dead.

4. I saw his pain as they nailed him to a cross,

Em Am Dm G - G7
I wish that we could understand the cause.

He looked on me, as he had once before, saying,

teach my word to all for evermore, so I'll say + CHORUS
