

All About You
Against All Will

I've heard this song on the radio a ton and I was surprised when I couldn't find a tab for it anywhere, so here it is. I figured it out from watching the youtube video of them live in studio at some radio station... I'd say it's about 99% there. The band's website is <http://www.againstallwill.com/>

Dsus, add **C** add **G**, **Dsus** (repeat)

I like your cute little ass, I like your stuck up smile,
I like your new t-shirt, baby I like your style!
But there's someone else, you're sorry to say
You're leavin' me, it's just better that way.

Dsus/C

Dsus/G

You've got everything you could ever want, but why stop there when you could have it all?

(**Dsus**)

You got a brand new Benz, house on the hill,
add **C**

Livin' on his credit cards with no bills,
add **G**

you wanted a better life and that wasn't with me.

G F Dsus

When the life you dreamed of finally came,
add **C**

you found out the sex just ain't the same,
add **G**

Dsus

That's why you come banging on my door all through the week.

Dsus

add **C**

You're still the same, nothing seems to change

add **G**

Dsus

It always was all about you.

Dsus add **C**

Well it s my turn now to make the rules

add **G** **Dsus**

You re the one who left, so thatâ€™s how it is.

You ve got everything you could ever want, but why stop there when you could have it all?

CHORUS

BRIDGE

Fsus Gsus Asus Fsus Gsus Asus (repeat)

Maybe you shouldn t have left me, did you ever stop and think of that.

Your life and all of his money, It s so good you keep coming back

You ve got everything you could ever want, but why stop there when you could have it all?

CHORUS

You ve got a brand new Benz, a house on the hill

Living like a queen in fur and high heels, you wanted a better life but that wasn t with me.

When the life you dreamed of finally came, you found out the dirty sex just ain t

the same, I m sick and tired of feelin like Iâ€™m just the flavor of the week.

Dsus add **C** add **G** **Dsus**

Yeah it always was, it always was, it always was, all about you 2x
