Against Me!

Bamboo Bones (acoustic version)

This is based on the first version of Bamboo Bones (chords) that was posted here on UG.

HOWEVER, this version is easier (for noobs like me):

CAPO 4th Fret

Verse: **C,G,F,F**

Chorus: **Am,F,C,G**

C **G**
Don t let them break you.

F **F**
Don t let them tell you who you are.

C **G**
Doesn t matter where you come from,
F **F**
you ll always have a floor to sleep on.

C
And you have your bamboo bones,

G
nervous energy,

F
blind ambition,

F
skin of your teeth.

C **G**
Push back, push back, push back,

F
with every word and every breath.

Am **F**
What god doesn t give to you,

C **G**
you ve got to go and get for yourself.

C
I m embarrassed to admit it,

G
I ve got no grip.

F **F**
I m leading with my jaw.

C
Can you see it from a distance?

G

Does it look ridiculous?

F

F

I guess that s just what I have to live with.

C

Still I have a mind to think,

G

knees to break,

F

F

you standing beside me.

C

G

I m going to push back, push back, push back,

F

with every word and every breath.

Am

F

What god doesn t give to you,

C

G

you ve got to go and get for yourself.

Rock on!!
