

**Spanish Moss  
Against Me!**

CHORUS:

**C** **G**  
You just need to find some place to get away.

**D**  
You can forget your name.

**F**  
And there s no need to apologize.

**C**  
WHOAS

VERSE:

**C**  
It could be a good life.  
It could be such a very good life.

**F**  
We could find a place for just me and you.

**C**  
Need some place to stay safe, need some place to stay safe and warm.

**F**  
Why don t we deserve the same?

CHORUS

**C**  
Look into the Spanish moss.  
Let your mind conjure up old ghosts.

**F**  
Ride you bike through lost Florida streets.

**C**  
Everything we ve said and done, can be so easily forgotten.

**F**  
You can always change who you are.

CHORUS

BRIDGE:

**F** **D** **G**  
I caught a glimpse of this life, it could be such a very good life.

**F**  
We could find a place for just me and you.

**F**  
But it s not yours to keep.

**D**  
Yeah, the truth will tear your heart out.

**G**

**F**

In a world run by gangsters you re stuck standing in a bread line.

CHORUS
