

## Transgender Dysphoria Blues Against Me!

Intro: **E5** (ticka-ticka-ticka) (4x)

**E5 A**

**E5**

**A E5**  
Your tells are so obvious

**A**  
Shoulders too broad for a girl

**E5**  
Keeps you reminded

**A**  
Helps you to remember where you come from

**F#**  
You want them to notice

**A**  
The ragged ends of your summer dress

**E5 A**  
You want them to see you like they see every other girl

**F#**  
They just see a faggot

**A A B**  
They hold their breath not to catch the sick

**E5**  
Washed up on the coast

**A Am**  
I wish we could ve spent the whole day alone

**E5**  
Washed up on the coast

**A Am**  
I wish we could ve spent the whole day alone

**E5**  
Washed up on the coast

**B C# A Am**  
I wish I could ve spent the whole day alone with you

With you

**E5** (ticka ticka ticka) (2x)

With you

**E5** (ticka ticka ticka) **E5**

**E5**  
You ve got no cunt in your struts

**A**  
You ve got no hips to shake

**E5**  
And you know it s obvious

**A**

But we can't choose how we're made

**F#**

You want them to notice

**A**

The ragged ends of your summer dress

**E5**

**A**

You want them to see you like they see every other girl

**F#**

They just see a faggot

**A**

**A B**

They hold their breath not to catch the sick

**E5**

Washed up on the coast

**A**

**Am**

I wish we could've spent the whole day alone

**E5**

Washed up on the coast

**A**

**Am**

I wish we could've spent the whole day alone
