Against The Current

Maybe I could let go, let go, let go

People think I look crazy

Picking fights with the clear blue wall

Em

Hard to reach you lately

Cadd9

Straining my neck, twisted talk

You got caught in the hunger

D

And I know it was chemical

Em

Didn't plan to go under

Cadd9

But I took it personal

[Pre-Chorus]

G

D

When you let those blue eyes turn grey

Em

I took it personal

Cadd9

When you took my hero away

Cadd9

Death isn't personal

[Chorus]

G

D

I scream at your ghost

Em

Cadd9

When I miss you the most

G

D

I'll lace up my armour and fight for us both

Em

Cadd9

Finish what you started and crown your stone

[Post Chorus]

G **D** **Em** **Cadd9**

Maybe I could let go, let go, let go

G **D** **Em** **Cadd9**

Maybe I could let go, let go, let go
