

Talk
Against The Current

G **C9**
You say you adore me
Em7 **C9**
But your eyes tell a story
G
I've heard before
C9
And damn boy you must think I'm dumb
Em7 **C9**
As if I didn't know about the things you've done
G **C9**
Got a girl in every city
Em7 **C9**
But somehow you're still lonely
G
I'm not the one
C9
To sit around waiting by my phone
Em7 **C9**
While you're wasted telling other girls they're beautiful
So why don't we just call it what it is
We both know we're getting what we give
G **Bm**
You say you really wanna change
Em7
But all you do is talk talk talk
C9
Then walk the same way
G **Bm**
I say what you don't wanna say
Em7
I think we better stop stop stop
C9
Before it's too late
G **Bm**
Don't say you wanna stay forever
Em7 **C9**
We both know that I know you better
G **Bm**
You say you really wanna change
Em7
But all you do is talk talk talk
G

TALK!

TALK!

TALK!

TALK!

G **C9**
I say I don t want this
Em7 **C9** **G**
But I know that I miss you when you re gone
C9
And being tangled up in the sheets
Em7 **C9**
But I know that you re not what s good for me
So why don t we just call it what it is
Cause everybody knows you re full of shit

G **Bm**
You say you really wanna change
Em7
But all you do is talk talk talk
C9
Then walk the same way
G **Bm**
I say what you don t wanna say
Em7
I think we better stop stop stop
C9
Before it s too late
G **Bm**
Don t say you wanna stay forever
Em7 **C9**
We both know that I know you better
G **Bm**
You say you really wanna change
Em7
But all you do is talk talk talk
G
TALK!
