

Cosmic Dancert
Agents of Oblivion

Agents of Oblivion did a sick ass cover of this alright T-rex song but I prefer Oblivion
well here it is

After each Em chord lead guitar plays this

```
e|-----|
B|-----|
G|-----|
D|-----0h2---|
A|---0h2-----|
E|-----|
```

(Somehow the rhythm guitar plays with both a clean acoustic simulation or something
at the same time running it through a little bit of overdrive, probably using two amps)

G	Em
I was dancing when I was twelve	
G	Em
I was dancing when I was twelve	
F	C
I was dancing when I was ahhh...	
F	C
I was dancing when I was ahhh...	

G	Em
I danced myself right out the womb	
G	Em
I danced myself right out the womb	
F	C
Is it strange to dance so soon	
F	C
I danced myself right out the womb	

G	Em
I was dancing when I was eight	
G	Em
I was dancing when I was eight	
F	C
Is it strange to dance so late	
F	C

Am **D**
Aaaah . . . ahh

G	Em
Is it wrong to understand	
G	Em
The fear that dwells inside a man	
F	C
Whats it like to be alone	
F	C
I m liken it to a balloon	

G Em
I danced myself right out the womb
G Em
I danced myself right out the womb
F C
Is it strange to dance so soon
F C
I danced myself into the tomb
C
But then again once more

G		Em
I danced myself right out the womb		
G		Em
I danced myself right out the womb		
F		C
Is it strange to dance so soon		
F		C
I danced myself into the tomb		

Am **D**
Aaaah . . . ahh

G, Em (Played 3x then)

G **Em**
Danced myself into a tomb(whispered)

G **Em**
I danced myself into a tomb, yeah

G **Em**
I danced myself into a tomb

G **Em**
I danced myself into a tomb, oh yeah

G **Em**
I danced myself into a tomb

Then you just keep playing this while the song fades out.

G, Em
