

Familiar

Agnes Obel

G#m B G#m B
Can you walk on the water with I, you and I?
G#m B G#m B
Because your blood s running cold said the familiar, true to life
G#m B G#m B
Can you walk on the water with I, you and I?
G#m B G#m
Or keep your eyes on the road and live there familiar, without you
B
and I
G#m B G#m B
It glows with gates of gold, true to life

G#m B D#m
And our love is a ghost that the others can t see
C#
It s a danger
G#m B D#m
Every shade of us you fade down to keep
B
Them in the dark on who we are
(Oh what you do to me)
G#m B D#m
Gonna be the death of me
C#
It s a danger
G#m B D#m C#
Cause our love is a ghost that the others can t see

G#m B G#m B
We took a walk to the summit at night, you and I
G#m B G#m B
To burn a hole in the old grip of the familiar, you and I
G#m B G#m B
And the dark was opening wide, do or die
G#m B G#m B
Under a mask of a million, ruling eyes

G#m B D#m
And our love is a ghost that the others can t see
C#
It s a danger
G#m B D#m
Every shade of us you fade down to keep
C#
Them in the dark on who we are
(Oh what you do to me)

Gonna be the death of me

It s a danger

Cause our love is a ghost that the others can t see
