

Just So  
Agnes Obel

C F C F C F  
Black turns beat me bright, turning on the light

Refrain

Dm F Am  
Today is gonna be the day, you hear some body say  
G  
We need you right away

C F C  
Tiptoe over the floor  
C F C  
What are you waiting for?  
C F C  
So so and no more  
C F C  
Thats all to be, so before.

Rerfain

Dm F Am  
Today is gonna be the day, you hear some body say  
G  
We need you right away  
Dm F Am  
You hear the moments kick and play.  
G  
The order of the day is already in your way

C F C F C F

Dm F  
The widow shade, the nurse and maid,  
Dm F  
To let it all just work away,  
Dm F  
From head to toe, where shadow grows,  
Am G  
Since forever and a day

C F C  
Quiet moments home  
C F C  
Where some do you roam?

Dm                                  F                                  Am

Today is gonna be the day, you hear some body say

**Am**  
Some moments of the day

C F C  
 Drink a toast to the sun  
 F C  
 To the things that never go,  
 F Dm  
 To the break of the day  
 G C  
 That is all that I say

C F C F
