

Run Cried The Crawling  
Agnes Obel

[Intro]

**F Am** x2

[Verse 1]

**F Am**

Crawling down

**F**

**Am**

From high hopes to the ground

**F Am**

Trouble sings along

**F Am**

[Chorus]

**F**

In my heart and soul

**G**

A giant in the room

**F**

**Am**

I left him long ago, following you

**F**

Wind heavy on the ground

**Am**

A cloak before the moon

**F**

I guess I've never known

**Am**

Someone like you

**F Am** x2

[Verse 2]

**F Am**

Falling down

**F**

**Am**

From high hopes to the ground

**F Am**

There's no way out

**F Am**

[Chorus]

**F**

In my heart and soul

**G**

A giant in the room

**F**

We took the walk alone

**Am**

And now we are through

**F**

Wind heavy on the ground

**Am**

A cloak before the moon

**F**

I guess I've never known

**Am**

Someone like you

**F**

Nature will get her way

**Am**

Though you took her for a fool

**F**

Walking on the lake

**Am**

Frozen under you

**F**

In my heart and soul

**Am**

There's nothing we couldn't do

**F**

Summer's blowing cold

**Am**

And now we are through

**F Am x2**

[Outro]

**F**

**Am**

I'm alright here in your arms, darling

**F**

**Am**

I'm alright here in your arms, darling

**F**

**Am**

I'm alright only in your arms, darling

**F**

**Am**

I'm alright here in your arms, darling

**F Am x4**
