

Nothing Else Matters

Agnes

F# **C#** **Ebm**
Iâ€™ll live for you, Iâ€™ll breathe for you
B
Iâ€™ll be for you
F# **C#**
I can hear above the noise
Ebm
There is something on the wind
B **F#**
And behind your eyes I can see the pain
C#
I am not a shallow sea
Ebm
I run deeper than you think
B
And I will not leave
F#
When the echoes from the walls
C#
Are the voices in your head
Ebm
Donâ€™t listen to the lies
B
Just hear my words instead
F#
For now and ever more
C# **Ebm**
I live for you, Iâ€™ll breathe for you
B **F#**
Iâ€™ll be for you and nothing else matters
C# **Ebm**
Nothing else matters, nothing else matters
B
Nothing else matters
F# **C#**
Every silence of a sigh
Ebm
I can feel it on my skin
B **F#**
Every cry for help tears into my heart
C#
Love is not a shallow sea
Ebm
It runs deeper than you think
B

And it will not leave

F#

When the echoes from the walls

C#

Are the voices in your head

Ebm

Don't listen to the lies

B

Just hear my words instead

F#

For now and ever more

C#

Ebm

I live for you, I'll breathe for you

B

F#

I'll be for you and nothing else matters

C#

Ebm

Nothing else matters, nothing else matters

B

Nothing else matters

F# - C# - Ebm - B

F# - C# - Ebm - B

F#

C#

Ebm

I'll live for you, I'll breathe for you

B

F#

I'll be for you
