

## Nothing Else Matters

Agnes

**G** **D** **Em**  
Iâ€™ll live for you, Iâ€™ll breathe for you

**C**  
Iâ€™ll be for you

**G** **D**  
I can hear above the noise

**Em**  
There is something on the wind

**C** **G**  
And behind your eyes I can see the pain

**D**  
I am not a shallow sea

**Em**  
I run deeper than you think

**C**  
And I will not leave

**G**  
When the echoes from the walls

**D**  
Are the voices in your head

**Em**  
Donâ€™t listen to the lies

**C**  
Just hear my words instead

**G**  
For now and ever more

**D** **Em**  
I live for you, Iâ€™ll breathe for you

**C** **G**  
Iâ€™ll be for you and nothing else matters

**D** **Em**  
Nothing else matters, nothing else matters

**C**  
Nothing else matters

**G** **D**  
Every silence of a sigh

**Em**  
I can feel it on my skin

**C** **G**  
Every cry for help tears into my heart

**D**  
Love is not a shallow sea

**Em**  
It runs deeper than you think

**C**

And it will not leave

**G**

When the echoes from the walls

**D**

Are the voices in your head

**Em**

Donâ€™t listen to the lies

**C**

Just hear my words instead

**G**

For now and ever more

**D**

**Em**

I live for you, Iâ€™ll breathe for you

**C**

**G**

Iâ€™ll be for you and nothing else matters

**D**

**Em**

Nothing else matters, nothing else matters

**C**

Nothing else matters
