Run Me Down
Ahab

Hi. Since I could t find the lyrics and chords anywhere on the internet, I decided
to make them myself. The chords should be correct, but i m not 100 % sure about the lyrics.

Intro: Same as chorus
Verse: **C** - **G** - **D** - **C** - **C** - **G** - **D**
Chorus: **Am** - **C** - **G** - **D** (Repeat chorus twice)

Verse
Well, I forgot, and Iâ€™ve been fine
Kept my heart all the time
Run me down just to see what I have lost

And if I fall donâ€™t blame yourself
Keep the pieces if this help
Run me down just to see what I have lost

Chorus
This babyâ€™s gonna drive me crazy
Babyâ€™s gonna drive me mad
Iâ€™d rather be alone and crazy
Iâ€™d rather be happy than sad

Verse
So if I was to say your name
Put the feet in â€˜nâ€™ still remain
Run me down just to see what I have lost

So when I fall for you again
And replace your other name
Run me down just to see what I have lost

Chorus
This baby is gonna drive me crazy
Babyâ€™s gonna drive me mad
Iâ€™d rather be alone and crazy
Iâ€™d rather be happy than sad

Guitar solo

Well, I forgot, and Iâ€™ve been fine
Kept my heart all the time
Run me down just to see what I have lost
