

**Jasper**  
**Aidan Knight**

Saw the first tab, it s close but there are a few tweaks to make it bang on! I intentionally marked the fingers to make transitions easier.

Oh when I was frightened, When you put your face in  
The mouth of the canyon, The murky water tide  
What a relief to see, All your sins absolved  
Without a washing cloth, Just the stillness of the night

Take, me, down, to the water  
Fill, you, up, with the deepest of sorrows  
That s, my, man, that s my brother  
Shine, a, light, on my home

Shine, a, light, on my home  
Shine, a, light, on my home
