

All over now
Aimee Mann

Em **Bm**
Though I let you steer
You a cavalier
Em **Gmaj7** **D**
Inch became a lightyear
C#m F#7
It was pathetic

Em **Bm**
Oh you can write the play
And every word I say
Em **Gmaj7 D**
But I don t have to stay
C#m F#7
To see the credits

F#m **C#m**
Cause it s all over now
Yes it s all over now
A **C#m A**
And I m free

Em **Bm**
I was one of few
Who d stick up for you
Em **Gmaj7 D**
And so you never kne
C#m F#7
You were a punch line

Em **Bm**
I could not convince or trust you
To pick up on my hints, must you
Em **Gmaj7 D**
Leave your fingerprints
C#m F#7
On everything I called mine

F#m **C#m**
Well that s all over now
Yes it s all over now
A **C#m**
And I m free
A **D#m G#**
Yes I m free
C#m **D#m G#**
From your interference
