

Could've Been Anyone
Aimee Mann

Dsus2 4x

G D Bm G Dsus2
It s so hard not to blame you it s hard not to put all the blame on you
Cause you knew from the start there was one little part you would not

let through

Bm A

I m sure there were even
Moments when you thought

G G/F# Em G/F# G Bm Em7
You might someday finish what you d begun
but that could ve been anyone

Dsus2 Csus2 G
Could ve been anyone 2x
Dsus2 Csus2 G G/F# Em G/F# G Bm Em7
I lost my place in the sun well, never mind

Dsus2
It could ve been anyone.

G D Bm G Dsus2
So we all make mistakes it just figures you d make me the biggest one
I was saving it up now it s spent and I don t know what I spent it on

Bm A

Now I find if you
Try hard enough

G G/F# Em G/F# G Bm Em7
You can wear it down til it s just about gone

Dsus2 Csus2 G
Til you could ve been anyone

Dsus2 Csus2 G
Could ve been anyone 2x
Dsus2 Csus2 G G/F# Em G/F# G Bm Em7
I lost my place in the sun well, never mind

Dsus2
It could ve been anyone

A D G D A
Your pattern is different from what it implies

D G Bm A
The words may be true but I realize

A D Csus2 G
It isn t description so much as disguise

G D Bm G Dsus2 2x

Bm A

Don't worry, you can
Learn to live without

G **G/F#** **Em G/F# G Bm Em7**
You've got a lifetime of that to draw upon and anyway

D Dsus2 G G3

Mm-mm

It could've been anyone

Dsus2 Em7 G
You lost your place in the sun
lost your place in the sun

Dsus2 Em7 G
Oh, you lost your place in the sun

D/F# Em7 D/F# G

Well, never mind

Never mind

It could've been anyone

Lost your place in the sun

Never mind 4x

You lost your place in the sun
(I think that's enough now)
