

Disappeared
Aimee Mann

Capo 3rd

Intro: **D Am C G**

Verse:

D Am C
Somehow

G D Am C G
I wound up on your bad side

D Am C
Til now

G D Am C G
I guess I had a free ride

Pre-chorus:

C G D
But now I join the queue
C G D
Of people dead to you
C G
The onetime chosen few

Chorus:

D Am
That s all, that s it
C G
You got yourself disappeared
D Am
The atom split
C G
And you got back-engineered
D Am
You re a forgotten face
C G
Behind a beard
D Am
That s it, that s all

C G

You re gone

Verse:

Though I ve
Been master of the thankless task
Nearby
Are questions you just have to ask:

Pre-chorus:

Was every enemy
Bad as you made him be?
Or were they just some gullible stooge?

Chorus:

Like me?
That s it
You got yourself disappeared
The atom split
And you got back-engineered
You re a forgotten face
Behind a beard
That s it
That s all
You re gone

Bridge:

Bm G D A
Everyone who knew you said they d been there too
Bm G D A
And soon enough I d see the mill you put them through
C G
That Irish goodbye you do

Chorus and ending:

That s it, that s all
You got yourself disappeared
A curtain call
At which your absence was cheered
You re a forgotten face
Behind a beard
That s it
That s all

You re gone
That s it
That s all
You re gone
That s it
That s all
You re gone

End on **D**
