

**Disappeared**  
**Aimee Mann**

Capo 3rd

Intro: **Eb Bbm C# G#**

Verse:

**Eb Bbm C#**  
Somehow

**G# Eb Bbm C# G#**  
I wound up on your bad side

**Eb Bbm C#**  
Til now

**G# Eb Bbm C# G#**  
I guess I had a free ride

Pre-chorus:

**C# G# Eb**  
But now I join the queue  
**C# G# Eb**  
Of people dead to you  
**C# G#**  
The onetime chosen few

Chorus:

**Eb Bbm**  
That s all, that s it  
**C# G#**  
You got yourself disappeared  
**Eb Bbm**  
The atom split  
**C# G#**  
And you got back-engineered  
**Eb Bbm**  
You re a forgotten face  
**C# G#**  
Behind a beard  
**Eb Bbm**  
That s it, that s all

**C#      G#**

You re gone

Verse:

Though I ve  
Been master of the thankless task  
Nearby  
Are questions you just have to ask:

Pre-chorus:

Was every enemy  
Bad as you made him be?  
Or were they just some gullible stooge?

Chorus:

Like me?  
That s it  
You got yourself disappeared  
The atom split  
And you got back-engineered  
You re a forgotten face  
Behind a beard  
That s it  
That s all  
You re gone

Bridge:

**Cm                      G#                      Eb                      Bb**  
Everyone who knew you said they d been there too  
**Cm                      G#                      Eb                      Bb**  
And soon enough I d see the mill you put them through  
**C#                      G#**  
That Irish goodbye you do

Chorus and ending:

That s it, that s all  
You got yourself disappeared  
A curtain call  
At which your absence was cheered  
You re a forgotten face  
Behind a beard  
That s it  
That s all

You re gone  
That s it  
That s all  
You re gone  
That s it  
That s all  
You re gone

End on **Eb**
