

Disappeared
Aimee Mann

Capo 3rd

Intro: **E Bm D A**

Verse:

E Bm D
Somehow

A E Bm D A
I wound up on your bad side

E Bm D
Til now

A E Bm D A
I guess I had a free ride

Pre-chorus:

D A E
But now I join the queue
D A E
Of people dead to you
D A
The onetime chosen few

Chorus:

E Bm
That s all, that s it
D A
You got yourself disappeared
E Bm
The atom split
D A
And you got back-engineered
E Bm
You re a forgotten face
D A
Behind a beard
E Bm
That s it, that s all

D A

You re gone

Verse:

Though I ve
Been master of the thankless task
Nearby
Are questions you just have to ask:

Pre-chorus:

Was every enemy
Bad as you made him be?
Or were they just some gullible stooge?

Chorus:

Like me?
That s it
You got yourself disappeared
The atom split
And you got back-engineered
You re a forgotten face
Behind a beard
That s it
That s all
You re gone

Bridge:

C#m A E B
Everyone who knew you said they d been there too
C#m A E B
And soon enough I d see the mill you put them through
D A
That Irish goodbye you do

Chorus and ending:

That s it, that s all
You got yourself disappeared
A curtain call
At which your absence was cheered
You re a forgotten face
Behind a beard
That s it
That s all

You re gone
That s it
That s all
You re gone
That s it
That s all
You re gone

End on **E**
