

Driving with one hand on the wheel

Aimee Mann

Capotraste na 2ª casa

Em7 **D** **A** **G** **D** **A**
You asked me to dinner you brought me stuff, now what do I make of that
Em7 **A7** **D** **G** **D** **A**
You made me an offer I called your bluff, now you re an amnesiac

G **D** **A**
Driving with one hand on the wheel
Ordering luck with every meal
Feeding on hope again never mind how small a portion

Em7 **D** **A** **G** **D** **A**
I said like we do like we d like to think, I ll take care of myself
Em7 **A7** **D** **G** **D** **A**
And who would ve thought that initial drink would clear an entire shelf

[chorus]

G **D** **A**
You should look at it realistically
I know you couldn t be in love with me

Em7 **D** **A** **G** **D** **A**
You sat there as dumb as a dog or cat just hoping it s for the best
Em7 **A7** **D** **G** **D** **A**
As if anything ever comes from that, except an appalling mess

[chorus]

Em7 **D** **A** **G** **D** **A**
Now you didn t bank on the alchemy that flattery turns to love
Em7 **A7** **D** **G** **D** **A**
But you took that obstructions will always be the danger of falling off

G **D** **A**
Driving with one hand on the wheel
Not knowing how or what you feel
You only knew that it was enough to be feeling something
