That summer was just crazy hot  
We walked the fairground parking lot  
And with our secret handshakes

Dm C

Sealed the deal completely

C F6 C

But I m too close to know just what  
Will keep Pandora s boxes shut  
And so I ll fail you badly  
When you really need me

G

Cause I don t know

Dm

What I should know -

Am C

That I can t help you anymore  
No, I can t help you anymore  
No, I can t help you anymore

I ll get a pen and make a list  
And give you my analysis  
But I can t write this story  
With a happy ending  
Was I the bullet or the gun  
Or just a target drawn upon  
A wall that you decided  
Wasn t worth defending?

And I should know  
But I don t know  
That I can t help you anymore  
No, I can t help you anymore  
No, I can t help you anymore  
Anymore  
No, I can t help you

Am  
Cause baby, look what I have done  
F  
The ruins just go on and on  
C Dm F  
I ve got to let it go now, or it will drag me under

So I can t help you anymore  
No, I can t help you anymore  
No, I can t help you anymore  
Anymore  
No, I can t help you anymore
