

I Should Have Known Better
Aimee Mann

I should have known/Aimee Mann

(capo up 1 fret)

Intro: **A E Bm D**

Bm F#m E D
I should thank you almost no one could kill it off until you bled it
but I got rid of that ghost though certain habits remain imbedded
with the shadow of a doubt but baby it was you who fed it
G G/F# Em Dsus4 D
and I don t know what else to say but I think you get it

chorus:

A E Bm D
I should ve known it was coming down to this
I should ve known you would betray me but without the kiss
I should ve known the kind of set-up it is

Bm F#m E D
And always isn t always when it s not your photograph that I ve been keeping
but you still live in those days when I d stay awake just to watch you sleeping
you delivered that blow but it left a mark on me that you re not seeing
G G/F# Em Dsus4 D
and I don t know what else you hear but it s not me weeping

[chorus]

B F#m
I should ve seen the cracks in the ceiling and the mirror covered up with dust
C#m B E
but I was busy talking on the phone
G A B A/C# B/D# F#
I should ve seen the obstacles but I said,
B F# E
this house was built for us
C#m A
Hello is anybody home?

[solo]
