Aimee Mann

I was Thinking i could clean up for christmas

Capo: 1st Fret

Chords relative to Capo

A **G** **Bm**
I was thinking I could clean up for Christmas

A **G** **D**
And then, baby, I m through
Four more weeks that couldn t make any difference
Except maybe to you

F **D**
But I ve tried to use that trick

F **D** **Fm**
Like a carrot on a stick
So I was thinking I could clean up for Christmas
Then, baby, I m through

I was thinking I could clean up for Christmas
And then, baby, I m done
One less fucker trying to get in the business
Of the prodigal son

Where I know I can t compete
Once I m off of Hastings Street
So I was thinking I could clean up for Christmas
Then, baby, I m done

A **G** **Bm**
Cause I can t live loaded and I can t live sober

A **G** **Bm**
And I ve been this way since the end of October

A
And I know enough to know

G **Bm** **D**
That, baby, when it s over, it s over
And it s over

A
Cause, baby, I m done

I was thinking I could clean up for Christmas
And then call it a day
Tell you I m sorry that I made you a witness
To my moral decay

And that, once upon a time

I believed it was a victimless crime
I was thinking I could clean up for Christmas
Then call it a day
Then call it a day
Then call it a day
