We made it down to New York
With everything intact

D
But as for getting back it was

Am7 Csus2 G
Boo who made the joke
They don't give you any hope

D Csus2 Am
But they'll leave you plenty of rope

Am7 Csus2 G
And Dan came in from Jersey
He went to get the drums

D
And if Buddy ever comes

Am7 Csus2 G
We can get it off the ground
I hope someone's coming down

D Csus2
Else I can't see hanging around

C Em Am7
Oh, experience is cheap
If that's the company you keep

Em D
And a chance is all that I need

Am7 Csus2 G
And I've had it
I've had it

Am7 Csus2 G
So we all just started playing
And then something strange occurred

D
Not a person stirred

Am7 Csus2 G
Oh, it started out one way
But it turned out to be okay

D Csus2

And I felt that someone should say

C Em Am
Oh, experience is cheap
If that s the company you keep
Em D
And before you know that it s free
Am7 Csus2 G
You ve had it
Am7 Csus2 G B7
You ve had it

Em D C G
Like most amazing things it s easy to miss
Am7 Csus2 G
And easy to mistake
For when things are really great
D Csus2
It just means everything s in its place

Am7 Csus2 G 2x

Am7 Csus2 G
When everything was over
And we loaded up the van
D
I turned and said to Dan
Am7 Csus2 G
Dan, I guess this is our prime
Like they tell us all the time
D Csus2
Weren t you expecting some other kind?

C Em Am7
Oh, experience is cheap
If that s the company you keep
Em D
But I ll never get that disease
Am7 Csus2 G
Cause I ve had it
I ve had it
I guess I ve had it
Woo hoo hoo woo hoo hoo
Ooo oo oo oo oo
Am Csus2
Oo oo oo oo oo oo
