

Little Tornado
Aimee Mann

I m lazy, so I ll just say that the names and you can figure out the rhythm and I ll add a few words with sort of accurate timing. First tab, if you can call it that.

Capo on 7

Am **Em Am**

Little Tornado

Am **Em** **Am**

Bane of the trailer park

F **C**

Lifting houses

C **B** **Am**

To leave your mark

F

No, no, no you don t

Em **Am**

No you don t know

It s basically those chords with a transition from C to Am with the bass note of the B.

rhythm is a little awkward to sing along to at first. Great simple song.
