Oh, for the sake of momentum I've allowed my fears to get larger than life
And it's brought me to my current agendum whereupon I deny fulfillment has yet
to arrive

F G C D7
And I know life is getting shorter
I can't bring myself to set the scene
Even when it's approaching torture
F G F Am/E Dm C
I've got my routine

Oh, for the sake of momentum even though I agree with that stuff about seizing
the day
But I hate to think of effort expended all those minutes and days and hours
I have frittered away.

And I know life is getting shorter
I can't bring myself to set the scene
Even when it's approaching torture
F G F Am/E Dm C
I've got my routine

But I can't confront the doubts I have
I can't admit that maybe the past was bad

And so, for the sake of momentum

I'm condemning the future to death so it can match the past
