Once upon a time is how it always goes but I ll make it brief
A **Dmaj7** **F#m** **G**
What was started out with such excitement now I d gladly end with relief
A **Dmaj7** **F#m** **B7**
In what now has become a familiar motif

A **E** **G** **D**
That nothing is good enough for people like you
A **E** **G**
Who have to have someone take the fall
A **E** **G** **D** **Bm** **E** **D**
And something to sabotage determined to lose it all

A **Dmaj7** **F#m** **Bm**
Critics at their worst could never criticize the way that you do
A **Dmaj7** **F#m** **G**
No, there s no one else, I find to undermine or dash a hope quite like you
A **Dmaj7** **F#m** **B7**
And you do it so casually, too

A **E** **G** **D**
That nothing is good enough for people like you
A **E** **G**
Who have to have someone take the fall
A **E** **G** **D** **Bm** **E**
And something to sabotage determined to lose it all

Ladies and gentlemen here s exhibit A

F **A** **C#m7** **G** **D** **Bm** **E** **D**

A **Dmaj7** **F#m** **Bm**
It doesn t really help that you can never say what you re looking for
A **Dmaj7** **F#m** **G**
You ll know it when you hear it know it when you see it walk through the door
A **Dmaj7** **F#m** **B7**
So you say so you ve said many times before

A **E** **G** **D**
That nothing is good enough for people like you
A **E** **G**
Who have to have someone take the fall

And something to sabotage determined to lose it all
