**E A E A**

**E** **A**  
She was married to somebody else  
I was lonely and lived by myself  
**E** **Bm** **F#m F#m7**  
Baby, that s a battle you can t win  
**E** **A**  
So we met and we started the clock  
Did that help -- no it did not  
**E** **Bm** **F#m F#m7**  
But I guess I knew that going in

**Dsus2 A/C# E/B A/C#**  
**Dsus2 A/C# E/B A/C#**  
And watched the sweeping second hand  
**Dsus2 D Dsus2 D Dmaj7**  
But at least I was calm

**A** **E** **Bm6** **D(1stx Dsus2 D Dmaj7)**  
On the road to the big observatory where the planets were hung  
And the stars swung around the second story and we stumbled upon  
**A** **F#m**  
A room where a luminous moon was waning  
**Dsus2 D Dmaj7 Dsus2 A/C# E/B A/C#**  
And I knew I had leapt into the great beyond  
**Dsus2 D D A/C# Bm**  
But at least I was calm

**E** **A**  
Fun is fun, but when push comes to shove  
When it s done, we deny it was love

**E** **Bm** **F#m F#m7**

She'll say Jim -- I think it's a mistake

**E** **A**

And the room where we looked at the sky  
Will be there with its telescope eye

**E** **Bm** **F#m F#m7**

Just another sentry kept awake

**Dsus2 A/C# E/B A/C#**

**Dsus2 A/C# E/B A/C#**

Watching over silverlake

**Dsus2 D Dsus2 D Dmaj7**

But at least I was calm

And you'll be glad to leave with dignity intact  
She won't be sad so much as matter-of-fact

**Bm** **F#m** **D D A/C# Bm F#**

And it was doomed and hopeless as a suicide pact
