

Say anything

Aimee Mann

Em Cmaj7 Em6/C# F
You see me as a judge though I deny it
and hold me like a grudge then justify it

Bm Em Am Am7
But when you take such pains
in searching for something that explains

D Bm7
please take a good look at our remains
Am7 Fsus2 G Gsus4 G

Cause if you were everything you say
things would be different today
and maybe there s room for compromise

Am F Em
but signs that I get say otherwise

A Am
say anything

Em Cmaj7 Em6/C# F
As hopeless as it seems I wouldn t worry
You ll get your chance to tell your side of the story

Bm Em Am Am7
And, raising your right hand
whatever defenses you had planned

D Bm7
remember that when you take the stand
Am7 Fsus2 G Gsus4 G

If you were everything you say
things would be different today
and though I d be happy to believe

Am7 Fsus2 Em
I d have to be much more naive

Em A Am
say anything, cause I ve heard everything
now I ve heard everything now I ve heard everything

[solo] **Em Cmaj7 Em6/C# F F** 2x

Bm Em Am Am7
So why do I refuse
the truth, when I clearly cannot use

D Bm7
the comfort of one more lame excuse
Am7 Fsus2 G Gsus4 G

cause if you were everything you say
things would be different today
and if you were everything you swear
we wouldn t be beyond repair

If you were everything you say
things would be different today
and if there has got to be an if

Am7 Fsus2 Em

get it over with

Em A

Am

say anything, cause I ve heard everything
now I ve heard everything I ve heard everything
now I ve heard everything now I ve heard everything
