Intro - D then Em then G

**D Em G**  
I drew a picture of you  
**D Bm G**  
You and your anchor tattoo  
**D Bm G**  
And saw the face that I knew  
**D9 F#/Gb G6**  
Covered in shame

You drew a bird that was here  
A kind of sweet chanticler  
But with a terrible fear  
That the cage couldn t tame

**A G D**  
That s how I knew this story would break my heart  
**A**  
When you wrote it

**A G D Em G**  
That s how I knew this story would break my heart

So, like a ghost in the snow  
I m getting ready to go  
Cause baby, that s all I know "â€  
How to open the door  
And though the exit is crude  
It saves me coming unglued  
For when you re not in the mood  
For the gloves and the canvas floor

That s how I knew this story would break my heart  
When you wrote it  
That s how I knew this story would break my heart

That s how I knew this story would break my heart  
When you wrote it  
That s how I knew this story would break my heart
