Introduction: **D - G - ( A/C# D ) - G7/B - C**

**C** **D9**  
When you say, I miss the things you do,  
**Dm7/B5** **C**  
I just wanna get back close again to you.  
**C/G** **D/F#**  
But for now, your voice is near enough,  
**Bb/F** **F**  
How I miss you, when I miss you, love.  
**Cm/Eb**  
And though,  
**Dsus4** **D** **Bbm/Db**  
All the days that pass me by so slow  
**Csus4** **C** **F** **Gm**  
All the emptiness inside me flows, all around,  
**Am7** **Dm7**  
And there s no way out  
**Bb7M/F**  
I m just thinkin so much of you,  
**Asus4** **G** **A**  
There was never any doubt...  
**D** **G** **A/C#** **Dsus4** **D**  
I can wait forever, if you say you ll be there, too  
**Am/C** **B7sus4** **B7** **Em** **D/A**  
I can wait forever, if you will, I know it s worth it all

**C** **D/C**  
When it looked, as though my life was wrong,  
**D#m7/B5/C** **C**  
You took my love and gave it somewhere to belong  
**C7/G** **D7/F#**  
I ll be here, when hope is out of sight,  
**Bb/F** **F** **Cm/Eb**  
I just wish that I was next to you tonight, and oh  
**Dsus4** **D** **Bbm/Db**  
I ll be reachin for you even though,  
**Csus4** **C** **F**  
You ll be somewhere else, my love will go  
**Gm** **Am7** **Dm**  
like a bird, on it s way back home  
**Bb7M/F** **Asus4** **G** **A**  
I could never let you go, and I just want you to know...

(Chorus)

**Bb** **Fsus4** **F**  
Where are you now?  
**Bb** **Am7** **Dm**  
Alone, with the thoughts we share  
**Cm7** **Bb**  
Keep them strong somehow,  
**Bb** **C** **Dm** **Csus4** **C** **Bb** **C**  
And you know, I ll always be there...

**F** **Bb** **C/E** **F** **Bb/D**
