[Intro]

**C-G-Am-Dm-C-G7sus-G7**

**C** **G**  
When love is new  
**C**  
And the world is out  
**Fm7** **F**  
Reaching for you  
**Fm7** **C**  
We try hard to hold  
**G**  
In our hands  
**C**  
But it slips through  
**Fm7** **F**  
Like soft drifting sands  
**Ab6** **Abdim**  
And drying tears  
**Am** **G**  
Can build it all like  
**F-G7sus**  
new.

[Chorus]

**C** **G**  
Now and forever  
**F** **C**  
Remember the words from  
**Dm**  
my heart

Will always be true  
**C** **G**  
Now and forever  
**F** **C** **Dm**  
Together and all that I feel

Is my love for you.

[Verse 2]

**C** **G**  
Loving each day  
**C** **FM7**  
That the right time was so  
**F**  
far away  
**Ab6** **Fm** **C**  
To tell you the things I knew  
**G**  
Now it s clear  
**C**  
That moment  
**FM7** **F**  
We searched for is here  
**Fm7** **C**  
And counting the years  
**Am** **G** **F**  
Is all I want to do

(Repeat Chorus)

**Eb** **Bb** **Dm7**  
Hold me as close, as love

Until all your fears is gone

What has all passed is  
**Gm7**  
over now

I m here with you

I m holding on,

I m holding on.
