

**You Make It Easy**  
**Air**

**F**

**F** **Am**  
Never been here - How about you  
**Dm** **Am**  
You smile at my answer,  
**Dm** **Gm**  
You ve given me the chance,  
**F** **C**  
To be held and understood.

You leave me laughing without crying,  
There s no use denying,  
For many times I ve tried,  
Love has never felt as good.

**F****may7** **Bb**  
Be it downtown or way up in the air,  
**F**  
When your heart s pounding,  
**Bb**  
You know that I m aware.

**Am** **Gm** **Am**  
You make it easy to watch the world with love,  
**Am** **Gm** **Am**  
You make it easy to let the past be done,  
**Am** **C**  
You make it easy.

How d you do it How d you find me  
How did I find you  
How can this be true  
To be held and understood.

Keep it coming - no one s running  
The lesson I m learning  
Cause blessings are deserved  
By the trust that always could
