```
     G#                    G#M7
if a picture paints a thousand words
     G#7                  C#
then why can t i paint you
    C#m                G#/E
the words will never show
     C#m               Eb
that you i ve come to know
```

(repeat chords)
if the face could launch a thousand ships
the where am i to go
there s no one home but you
you re all that s left me too

Chorus:

```
    Fm7        Fm7+M7
and when my love
     Fm              Bbm
for life is running dry
        Ebm        F      Bbm       Eb
you ll come and pour yourself on me
```

Verse 2:

```
     G#                    G#M7
if a man could be two places
       G#7                   C#
at one time i d be with you
   C#m              G#/E
tomorrow and today
   C#m                 Eb
beside you all the way
```

(repeat chords)
if the world should start revolving
spinning slowly down to die
i d spend the end with you
and when the world was through

```
     Fm7     Fm7+M7
then one by one
     Fm                Bbm
the stars would all go out
```

```
     Ebm       F       Bbm      Eb   G#
then you and i would simply fly away
```
