

I Go

Aizat

G D/F# Cadd9 G
So long, fare thee well

Em G Am D
The dancer and the dancing days have taken leave and fell

G D/F# Cadd9 G
So turn down this bed of stone

Em Am C D G - Am Am/B
Quench me with the deadly nightshade from the rose that you belong

C G Am - Am/B
The long December rain is falling now

C G Em
Running down on streets to nowhere

C G Am
Music is my life you re my sweetest nightingale

Bm7flat5 E7 Am - Am/B C
But I can t hear it here no more

G - D/F# - Cadd9 - Cadd9
And I go

G - D/F# - Cadd9 - Cadd9
I go

G D/F# Cadd9 G
Hush now, don t shake or break

Em G Am D
Words have fallen silent like soldiers to the grave

G D/F# Cadd9 G
No matter what they do or say

Em Am C D G Am - Am/B
Lay me on the sleepy meadow by the tracks upon your face
