Verses:

I don't need to hang my stocking
There upon the fireplace
Santa Claus won't make me happy
With a toy on Christmas day

I won't ask for much this Christmas
I don't even wish for snow
I'm just gonna keep on waiting
Underneath the mistletoe

I won't make a list and send it
To the North Pole for Saint Nick
I won't even stay awake to
Hear those magic reindeers click

Oh I don't want a lot for Christmas
This is all I'm asking for
I just want to see my baby
Standing right outside my door

Chorus:

Cause I just want you here tonight
Holding on to me so tight
What more can I do
Baby all I want for Christmas is you
