CAPO 6

[Verse]

C **G/B**
i don t know where this is going
C **G/B**
i don t know how this all came about
C **G/B**
but all i know is that i ll never--
Em **D/F#** **C**
forget the way you looked at me that night

C **G/B**
maybe someday you ll be leavin
C **G/B**
maybe one day we ll say it s over and done
C **G/B**
but right now, i wanna breathe it in and sing it out
Em **D** **C**
i m not afraid of where it s taking me tonight

[Pre-Chorus]

D **D/F#** **G**
and somehow this is not the way i planned it
D **B/Eb** **Em** **D** **C**
i didn t think i d need someone right now, then there was you

[Chorus]

G **Am** **G/B** **Dm** **C**
let s get away from here
Cm7 **F7** **Bb(maj7)** **Am**
away to a universe that s not so close, my dear
G **Am** **G/B** **Dm** **C**
and in my arms you ll stay
Am **D** **C**
amazing how you take my breath away

[Verse] (see above)

i m hoping for the real thing
and i know i find my realness in you
these nights are never-ending

to have you here would be so overdue

[Pre-Chorus] (see above)

and somehow i m just falling way too quickly
the moment that you put your hand in mine
no wasted time

[Chorus]

G Am G/B Dm C

let s get away from here

Cm7 F7 Bb(maj7) Am

away to a universe that s not so close, my dear

G Am G/B Dm C
