Artist: AJ Rafael
Released: 2013

CAPO 6

[Verse]

D **A/B**
i don t know where this is going
D **A/B**
i don t know how this all came about
D **A/B**
but all i know is that i ll never--
F#m **E/F#** **D**
forget the way you looked at me that night

D **A/B**
maybe someday you ll be leavin
D **A/B**
maybe one day we ll say it s over and done
D **A/B**
but right now, i wanna breathe it in and sing it out
F#m **E** **D**
i m not afraid of where it s taking me tonight

[Pre-Chorus]

E **E/F#** **A**
and somehow this is not the way i planned it
E **C#/Eb** **F#m** **E** **D**
i didn t think i d need someone right now, then there was you

[Chorus]

A **Bm** **A/B** **Em** **D**
let s get away from here
Dm7 **G7** **C(maj7)** **Bm**
away to a universe that s not so close, my dear
A **Bm** **A/B** **Em** **D**
and in my arms you ll stay
Bm **E** **D**
amazing how you take my breath away

[Verse] (see above)

i m hoping for the real thing
and i know i find my realness in you
these nights are never-ending

to have you here would be so overdue

[Pre-Chorus] (see above)

and somehow i m just falling way too quickly
the moment that you put your hand in mine
no wasted time

[Chorus]

A Bm A/B Em D

let s get away from here

Dm7 G7 C(maj7) Bm

away to a universe that s not so close, my dear

A Bm A/B Em D

and in my arms you ll stay

Bm E D

amazing how you take my breath away

[Bridge]

F#m E D A/B

can stars determine what will be of you and me

E E/F# A

cuz i see stars when i look into your eyes

F#m E D A/B

can we imagine what it d be, just you and me

Bm A/B D E

endless possibilities, in your eyes-- can we

[Chorus]

F#m E/F# A A/B D

get away from here

Dm7 G7 C(maj7) Bm

away to a universe that s not so close, my dear

A E/F# F#m E D

and in my arms you ll stay

Bm E F#m B7

amazing how you take my breath away

Bm E D

amazing how you take my breath away

A/B D A/B D
