I JUST WANT YOU (2008)

A **F#m**
Theres something I gotta say to you
D Dm
But im so afraid of what you ll doo Ohhhh

A **F#m**
I ll just admit this to you now
D Dm
That I m stuck on you like glue somehow

F#m D A
Don t wanna feel so cold inside
F#m D A
I wanna feel the warmth that I feel with you all the time

F#m D A
Surrounding me just like the wind
F#m D A
Cuz youre the one who makes me sing

A F#m D Dm
Help me find myself like how I found you oh
A F#m D Dm
I need you so we can live happily too ohh
A D A
I just want you

A **F#m**
I wanna go out with you tonight

A picnic with candlelight
D Dm
I might just hold you tight

A **F#m**
Tell me you wanna be my queen
D Dm
If not its ok a princess seems just my type I promise I ll be there tonight

F#m D A
I ll keep you warm in winter s white
F#m D A
And in the summer walks on beach sound nice

F#m D A

I want you now to talk with on the phone for hours at a time

F#m D A
Baby I just want you to be mine all mine

G D A
i wanna be ur valentine ur Christmas wish ur pickup line

G D

A
I wanna be the one who knows about ur friends and foes and the tv shows you love

G D A
Look above the stars spell out ur name with an exclamation point at the end of
the day

G D E
ur the one who makes me say
