Bm G A F#m Bm

[Verse 1:]

Bm G
I say right now no I won't forget it
A F#m
When you said you didn't feel sparks
Bm
You made me regret it
Bm G
Am I the only one who thought it was real then
A F#m Bm
Cause you did a damn good job, you had me believing

[Pre-Chorus:]

G
Cause I'm addicted to the thought of you,
F#
Can I erase this very thought of you?

[Chorus:]

Bm
Jetsetter
G
My heart is floating like a feather
A F#m
Cause when you said we couldn't be together
Bm
I realize I didn't need you either.

Bm
So jetsetter
G
That's what they call me cause I didn't get her
A F#m
I shoulda listened cause I knew the danger
Bm
But now I guess it's better late than never.
