to gather my thoughts and just spit it out

but now I ve missed the moment

**C**

and now I ll never know if

**D**

you ll answer yes to the questions I ask

**G**

**D**

so now I m here, without you

**Am**

and I m crushed cause I got these roses

**C**

these red roses and god knows that

**D**

I would have given them to you

[Pre-chorus]

I can t get you off of my mind

I hope that you notice

**G**

that I m still paintin roses

**D**
