We Could Happen - AJ Rafael feat. Noah Bartfield  
Tabbed by angelomas

[Intro]

**A** **C#m**  
i ll hold the door  
**F#m** **Em** **A7** **D**  
please come in and just sit here for a while  
**C#m** **B** **E7** **A**  
this is my way of telling you i need you in my life  
**C#m** **F#m**  
it s so cold without your touch  
**Em** **A7** **D**  
i ve been dreaming way too much  
**C#m** **B** **E7**  
can we just turn this into reality

[Chorus]

**A** **E**  
cuz ive been thinking bout you lately  
**F#m** **Dm** **A**  
maybe you can save me from this crazy world we live in  
**E**  
I know we could happen cuz you know  
**F#m** **Dm**  
that ive been feeling you.

[Verse 2]

**A** **C#m** **F#m**  
storms they will come but i know  
**Em** **A7** **D**  
that the sun will shine again  
**C#m** **B** **E7**  
he s my friend and he says that we belong together  
**A** **C#m** **F#m**  
i ll sing a song to break the ice  
**Em** **A7** **D**  
just a smile from you would suffice  
**C#m** **B** **E7**  
its not me being nice girl this is real tonight

[Chorus]

**A** **E**  
cuz ive been thinking bout you lately  
**F#m** **Dm** **A**  
maybe you can save me from this crazy world we live in  
**E**  
I know we could happen cuz you know  
**F#m** **Dm**  
that ive been feeling you.

[Bridge]

**F#m** **C#m7** **A** **B**  
there s no other, there s no other love  
**F#m** **C#m7** **A** **B**  
that I d rather have... no.  
**F#m** **C#m7** **A** **B**  
there ain t no one there ain t no one else  
**D** **B**  
i want you for myself.

[Chorus]

(no strumming until world for the first time)

**A** **E**  
cuz ive been thinking bout you lately  
**F#m** **Dm** **A**  
maybe you can save me from this crazy world we live in  
**E**  
I know we could happen cuz you know  
**F#m** **Dm**  
that ive been feeling you.

**A** **E**  
cuz ive been thinking bout you lately  
**F#m** **Dm** **A**  
maybe you can save me from this crazy world we live in  
**E**  
I know we could happen cuz you know  
**F#m** **Dm**  
that ive been feeling you.
