

When We Say Juicebox  
AJ Rafael

[Intro]

**E A ( B )**

[Verse]

**E**

Something in the way

**C#m**

Something bout the way you look in my eyes

**A**

You make everything so damn easy

**F#m**

**B**

so easy that I don't got to worry about a thing

**E**

And baby when we touch

**C#m**

all I can see is the image of us

**A**

sitting by the ocean just before the dusk

**F#m**

**B**

sippin' on a juicebox with sand between our toes

[Chorus]

**A**

**B**

**E**

And this is the part when we say we're in love

**A**

**B**

**C#m**

and the part where we have our first kiss

**A**

**B**

**C#m**

but this ain't a movie, I know you can't come with me

**F#**

**A**

**B**

**E**

You've got your life, he better be treatin' you right

**E A ( B )**

[Verse]

**E**

Just tell me you don't love me

**C#m**

Tell me you don't feel the same way that I do

**A**

Tell me I don't make you smile like I do when you walk in the room

**F#m**

**B**

You're so . . . so hard to let go

**A**                    **B**                    **E**  
 Oh and this is the part when we say we re in love  
**A**                    **B**                    **B->C#m**   **B->C#m**  
 and the part where we say it s forever  
**A**                    **B**                    **C#m**  
 but this ain t a fantasy, I know you can t come with me  
**F#**                    **A**                    **B**                    **C#m**   **F#**  
 You ve got your life, he better be treatin you right  
**A**                    **B**  
 You ve got your life, he better be treatin you

**F#m**                    **E/G#**  
 (right.) This hurts so much to know that you re  
**A**                    **B**                    **B**   **B/A**   **E/G#**  
 with someone else when you should be with me  
**F#m**                    **E/G#**                    **A**  
 It s just hard to accept that I can t be around  
**D**                    **F#m**  
 He better be treatin you good  
**E/G#**                    **A**  
 I m no Einstein but I know a sign when I see one  
**F#**  
 and I know you love me too  
**A**   **B**  
 And I know you love me too

[Chorus]

**A**                    **B**                    **E**  
 This is the part when we say we re in love  
**A**                    **G#**                    **C#m**  
 and the part when have our first kiss  
**A**                    **E**                    **B**                    **C#m**  
 but this ain t a movie, I know you can t come with me  
**F#**                    **A**                    **B**                    **C#m**   **F#**  
 You ve got your life, he better be treatin you good, so good  
**A**                    **B**                    **E**  
 You ve got your life, he better be treatin you right

((For first line of the last chorus, the piano version goes:

**A**                    **B**                    **Cdim**                    **C#**  
 This is the part when we say we re in love))
