Capo on 7th

(you can try playing **Em7** instead of **Em** and **Cadd9** instead of **C**)

G
On the banks out by their concrete lake
D
All the fashionistas shiver
Em
In their short summer dresses and long blonde tresses
C **D**
Well they re all freshly showered messes

G
And June feels like October
D
To anyone who s clean and sober
Em
But this last is not our specialty
C **D**
How I wish it s tea that we d been drinking

G **D** **G**
We..... civilize..... ourselves
D **Em**
As a cry for help
C **D**
Before it s all we have left

Em **C** **G** **D**
Now the sun s up but the angels only let it burn so long
Em **C** **G** **D**
I ve broke all the wings I ve borrowed so I stumbled like a stone
C **G**
Through the darkness on towards home
D
To your doorstep all alone

Jam----

G **D** **G**
Oh and we civilize ourselves
D **Em**
As a cry for help....
C **D** **G** **D** **Em** **C** **D**
A dis...gui...se

G

And on the banks out by the river

All the fashionistas shiver.....
