Well my great grand-dad he died of cancer, from smoking too many cigarettes.
G **Em** **C**
But I must confess that he did quite profess to being the coolest
D **Em** **C** **Em**
motherfucker I ever met. Thats cause smoking makes you cool, and smoking
D **G** **Em**
makes you rule. So just light up a smoke and you ll never go broke and
C **D**
you ll be the most popular kid in school. The coolest kid in school.

Well I ve traveled millions of Marlboro miles, but I haven t gotten anywhere
G **Em** **C**
And I ve made a million dollars in Camel cash, but I m still just broke as
D **Em** **C** **Em**
when I started. But thats OK because smoking makes you cool, and smoking
D **G** **Em**
makes you rule. So just light up a smoke and you ll never go broke and
C **D** **G**
you ll be the most popular kid in school- but only if you smoke Parliament.
